BSEC Plans Measures to Expand the Market's Quality Stock Base

The new leadership of the Bangladesh Securities and Exchange Commission will place significant emphasis on increasing the supply of quality stocks in the capital market. The new commission believes that one of the major weaknesses of Bangladesh's capital market is the shortage of high-quality listed companies.

BD borrowing higher-rated Japanese funds to finance budget deficit

Bangladesh is going to borrow a costly US\$300-million budgetary support from Japan as the new BNP administration aggressively searches funds for minimising hefty deficit in budget financing, officials say.
